## **How To Go From A Problem To A Solution**

### **2 Corinthians 2:14**

We have to understand the reasons we face problems:

- **Because of the world we live in**  
Just living in the environment of this world causes problems. John 16:33
- **Because of the choices we make**  
A lot of our problems are self- inflicted problems.  
We will reap what we sow. Gal.6:7
- **Because of the enemy we face**  
Satan is our enemy. Job 2:7; Lk. 13:16; John 10:10
- **Because of the people we know**  
Other people could be your problem. 2 Tim. 4:14  
People we choose to hang around with. Prov. 4:14
- **Because of the progress we make**  
Anytime you try to make progress there is always resistance. Rom. 7:21
- **Because of the God we serve**  
This is called persecution. 2 Tim. 3:12; Psa. 119:67,71,75

If we are going to go from the problem to the solution, there are three things you need to do.

- 1. Acknowledge the problem**
- 2. Access the reason**
- 3. Accept the solution**

**Remember this:**

**When you're in the valley,  
don't say I'm in the valley,  
say I'm on my way to my next mountain.**
