## Peace In The Midst Of The Storm Mark 4:35-41

I want to give you four keys through which we can experience peace even in the midst of the storm.

### **Key# 1 Trust the word of God. – Vs 35**

- ❖ We need to trust the word of God even in the midst of what we are going through now.
- ❖ Isa. 26:3; Psa. 119:92
- ❖ When we are in a storm/in difficulties, God may change the circumstances, or deliver us out of the difficult circumstances, or God will walk with us through the storms.

### **Key# 2 Do not stay in fear. – Vs 40**

- ❖ When we are in a storm we should not stay in fear when crisis hits us.
- ❖ We need to choose to make faith the norm for our lives.
- ❖ The Bible doesn't ask us to use faith 'sometimes' when we are in a crisis.
- ❖ Hab. 2:4; 2 Tim. 1:7
- ❖ When we are going through storms, we should not stay in fear! We need to kill fear by faith.

### **Key# 3 Be assured of God's goodness. – Vs 39**

- ❖ We need to understand that not all storms are from God.
- ❖ Satan can bring storms with God's permission. Job 1:12, 18-19
- ❖ Storms can be caused by natural means.
- ❖ Sometimes we bring storms in our lives.
- ❖ Our God is a good God who always intends good for us even if it means that He has to take us through storms in our lives.

### **Key# 4 Recognize that Jesus is in the boat. – Vs 38, 39, 41**

- ❖ If you are going through a storm, don't be afraid because Jesus is in the boat; he is in control.
- ❖ If you have Jesus in your boat, you can have peace in those storms.
- ❖ What storms are you facing in your life?

**Whatever your storm,  
don't forget,  
make sure Jesus is in the boat with you!**
