

Continue In My Love

John 15:9-14

What can we learn:

I. We are loved – vs 9

- Jesus speaks of his and the Father's love for them.
- John 13:34

II. We have direction – vs 9

- Continue in my love.
- What does that mean? To continue operating in His love.
- If we love as Jesus love us, we will see all through God's eyes.

III. We must obey His command – vs 10, 12

- If we love Jesus, we will do what pleases him. John 14:15; Col. 3:14

IV. We have a promise – vs 11

- That your joy may be full. Full means complete.
- Our joy can be full when we walk in and share the love that Christ has given us.

V. We have a friend – vs 13

- Jesus is our greatest friend.
- Jesus calls us friends because he wants us to know there is such love and compassion for us.
- He desires a deep connection with us.
- When we become Christians, we become friends of Jesus.

VI. We have a stipulation – vs 14

- If you do what I command.
- If you have love one to another. John 13:35
- If love is present within a place, healing can take place, praise can take place, needs can be filled because of God's love being present.
