## **The Process Of Waiting For The Lord**

### **Psalm. 40:1-3**

#### **First step is to wait patiently for the Lord – 1A**

- ❖ While David was going through his trial and process, the first and most important lesson he had to learn was to wait patiently on the Lord.
- ❖ To wait patiently is to express an attitude of hope, expectation, and confidence, because you know that the one you're waiting on is guaranteed to come eventually.
- ❖ David said I waited patiently on the Lord.
- ❖ True patience means waiting without worrying.

#### **Second step is to talk to the Lord – 1B**

- ❖ When we're going through certain things, we want to talk to everybody but the Lord.
- ❖ Everybody can't handle your problems, just like everybody can't handle your blessing.
- ❖ Talk to the Lord first.

#### **Third step is to allow the Lord to establish you – 2**

- ❖ We have to allow the Lord to establish us and set our feet on solid ground.
- ❖ He doesn't just set us on solid ground, but He keeps us steady as we continue walking along.

#### **Step four is to praise the Lord for your establishment – 3**

- ❖ God is worthy of our praises every day.
- ❖ Because every day, He keeps on blessing us.
- ❖ Every day, He keeps opening doors.
- ❖ Every day, He keeps us from dangers.
- ❖ Every day, He strengthens us.
- ❖ Every day, we should be able to praise His Holy Name.
